Title		

1. The oral examination for the doctoral candidate qualification assessment "Research Proposal" will be scored anonymously by the examination committee members. The host will be responsible for calculating the average of the scores given by each committee member, which will serve as the examination result.
2. A score of 70 is required to pass the oral examination for the doctoral candidate qualification assessment "Research Proposal." However, if more than one-third of the committee members rate the candidate as failing, the candidate will be considered failing, and the average score will not be applied.
3. This score sheet shall be kept by each department itself.
